## ANTI-AGING TREATMENTS

### CHEMICAL PEELS

Chemical peels are a skin resurfacing procedure. Are you ready for radiant, more resilient, and younger-looking skin? We will use a chemical solution applied to the skin to remove the top layers. Say goodbye to wrinkles, skin discoloration, and scarring. Book this service on its own or pair it with other cosmetic procedures. **\$175 - \$300**

### REJUVA FACIALS

We offer customized Anti-Aging Facial treatment, resulting in clarified deep pore and glowing skin. **\$175 - \$275**

### DERMAPLANING

A non-invasive procedure that facilitates the removal of peach fuzz and dead skin layers, resulting in soft, smooth skin. Can be added to any procedure. **\$100 Add-on**

### MICRODERMABRASION DIAMOND TIP

Mechanical exfoliation, removing dead skin cells by polishing the skin's surface. Combine with Glycolic peel. **\$150**

### MICRONEEDLING

Microneedling is a safe, effective and minimally invasive procedure that applies shallow needles to stimulate the top layers of the skin, promoting a regenerative response and natural collagen growth. We offer stem cell Microneedling for Face, neck, Decollete. **\$500 Per Area**

**Package of three \$1500**  
**Add PRP for \$199**

### HAIR RESTORATION

Anti-age MD hair Microneedling is a specialized technique that influences bone marrow stem cell cultures to focus on hair growth stimulation to get back to normal growth pattern.

**\$425 Per Treatment**  
**Package of 3 \$1125**

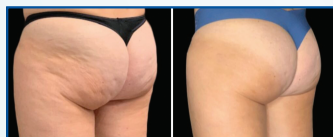

## FAT REDUCTION AND BODY SCULPTING

### CELLULITE AND SKIN TIGHTENING

We offer non-invasive treatments that use advanced technologies to achieve tighter skin while reducing fat allowing us to tighten loose skin and improving cellulite reduction. No down time FDA approved.

**EMTONE®** is the first and only device that simultaneously delivers both thermal and mechanical energy to treat all major contributing factors to cellulite.

**\$850 Per Treatment**  
**Package of Six: \$3800**

**EMSCULPT®** utilizes High-Intensity Focused Electromagnetic (HIFEM) to cause deep muscle stimulation. A single Emsculpt session induces 20,000 intense muscle contractions. Results include a flatter stomach, a lifted posterior, improved muscle tone. Less fat and more muscle!

**\$850 Per Treatment**  
**Package of Six for: \$3800**

### EMSELLA® PELVIC REJUVENATION

A breakthrough treatment for incontinence and confidence! This unique technology revolutionizes the intimate health and wellness category by providing those suffering from incontinence with a completely non-invasive option. Emsella utilizes electromagnetic energy to deliver thousands of supramaximal pelvic floor muscle contractions in a single session. These contractions re-educate the muscles of incontinent patients. Studies confirm 95% of patients report an improved quality of life.

**\$450 Per Treatment**  
**Package of Six for: \$2200**
